We are always looking for new members, Boy or Girl. If you have any friends or family interested in joining any of our sections, or require any further information about our activities or programme, do not hesitate to get in contact. Our website has details of programmes, as well as photographs and information for all Group activities. Please visit www.1hg.org or follow us on Twitter: [@1hgscouts](https://twitter.com/1hgscouts) or our Facebook page for further updates

Please ensure that when you drop off and collect your child that you come up to the Main Hall in person. This is for safety in case the leaders are not present at the beginning of the night. It will also be necessary for parents to be prepared to open doors for others, because of the distance between our meeting room and the car park. When entering and leaving the Main Hall, please be respectful of other users of the building and their meetings

If for any reason you cannot make an event, or if you have any questions, please contact Akela
